**DECISION GRANTING PETITION**

This is a decision on the renewed petition filed October 10, 2006, under 37 CFR 1.10(c) requesting that the above-cited application be accorded a filing date of November 10, 1989, rather than the presently accorded filing date of November 13, 1989.

Petitioner alleges that the application was deposited with the Express Mail Service on November 10, 1989. In support of the allegation, the renewed petition is accompanied by a copy of the Express Mail receipt with a tracking number of RB376455343 showing a "date-in" of November 10, 1989<sup>1</sup>. The tracking number cited on the Express Mail receipt is the same number found on the application transmittal sheet that accompanied the original application papers. The evidence is convincing that the application papers were deposited on November 10, 1989.

In view of the above, the petition is granted. The new filing date for the above-cited application is November 10, 1989.

The application file is directed to the Office of Initial Patent Examination where the filing date for the application will be changed to November 10, 1989.

Any inquiries related to this decision should be directed to the undersigned at (571) 272-3222.

Petitions Attorney  
Office of Petitions

<sup>1</sup> A black and white copy of the Express Mail receipt was filed with the petition under 37 CFR 1.10 filed August 18, 2006, and the renewed petition filed October 10, 2006. It is noted that the "date-in" was not completely legible. On September 22, 2006, Kenya A. McLaughlin, Petitions Attorney, was provided with a color copy of the Express Mail receipt on which the date-in of November 10, 1989, was legible.
